

The 27th Bled eConference Outstanding Paper Award

The Bled eConference is the world's longest-running international conference on electronic interaction topics

Each year since 1999, one paper has been selected that makes an outstanding contribution to the event's aims

Selection Committee

Andreja Pucihar, SI – Conference Chair

Christer Carlsson, FI – Chair, Research Track, 2014

Roger Bons, NL – Chair, Research Track, 2015

Roger Clarke, AU – Award Committee Chair
